

This is an almost but not quite facsimile reprint of a spineless pamphlet originally published in 1994 in an edition of twenty-five copies.

"Frank Key can probably lay claim to having written more nonsense than any other man living."—Sam Jordison, *The Guardian*

"Hooting Yard is a magical land of absurdist nonsense where his prose tumbles forth in an increasingly hilarious manner."

—Madeleine Swann

"His world is fully-formed and sits at a 45-degree angle to our own."

—*The Dabbler*
